Ohio ‘Statutory Short Form of Acknowledgment’ — Individual

The Individual Acknowledgment certificate is used when an individual is signing and acknowledging on his or her own behalf.

The optional section at the bottom can deter alteration of the document or fraudulent reattachment of this form to an unintended document.

Instructions:

- 1 NAME OF COUNTY** where Notary performs notarization.
- 2 DATE OF NOTARIZATION.** Actual day, month and year in which signer appears before Notary.
- 3 NAME OF SIGNER** appearing before Notary. Initials and spelling of name should agree with name signed on document and ID card. Line through any remaining space.
- 4 SIGNATURE OF NOTARY,** exactly as name appears on commissioning papers and in seal.
- 5 TITLE OR RANK** of notarizing officer, such as “Notary Public.”
- 6 NOTARY SEAL IMPRINT** clearly and legibly affixed. Be sure to affix your seal so it does not protrude into certificate margin.

SPACES 7–10 ARE OPTIONAL.

Omission of information here will not affect the document’s validity. However, completing these spaces can deter alteration of the document or fraudulent reattachment of this form to an unintended document.

- 7 TITLE OR TYPE OF DOCUMENT.** The type, title or description of the document being notarized.
- 8 DATE OF DOCUMENT** notarized. Most but not all documents will have a date, usually at the top or following the signature. If none, insert “No Date.”
- 9 NUMBER OF PAGES** in the notarized document. This may point out fraudulent addition or removal of pages. Do not count the certificate as a page. However, the certificate will be regarded as a page by recording officials in assessing recording fees.
- 10 SIGNER(S) OTHER THAN NAMED IN SPACE 3.** Since some signers might not be named on the same notarial certificate, insert name(s) of other signer(s) here that appear(s) or will appear on other certificates — as many as space allows. If none, insert “No Other Signers.”
